

3320-D Kitchen Sink

I.D.: 33" x 19 3/4" (838 mm x 502 mm)

Depth: 7 7/8" (200 mm)

*Depth does not include counter top thickness

The Gemstone 3320-D is the largest double equal bowl on the solid surface market today. The cutout for this sink will encompass all known double bowl sinks formerly on the market. This sink is designed with this in mind for the replacement

of old sinks in solid surface countertops providing a new contemporary look. The faucet is positioned on the faucet deck which also acts as a shelf for sponges, soap, etc. The ledge around the sink is provided to support strainers or cutting boards (not included).

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands with the same sheet warranties.

Gemstone supports conservation and green building practices. Gemstone Packages all products in 100% recyclable packaging using boxes made primarily of recycled paper.

Gemstone sinks are proudly made in the USA and certified by:
