The Gemstone 1515-ES is one of Gemstone's newest sink lines, the ES series. The ES series of sinks have tighter radii providing the sink with a more up-to-date, sleeker look, with unrivaled performance. The 1515-ES provides a complementary bowl

to the 1815-S, 1507-ES, or 1524-ES as a prep sink or can stand alone where a smaller sink is needed, providing a seamless, efficient place to work in the kitchen area. This sink works well in laboratories and clinical applications as well as residential applications. Solid surface has excellent chemical resistant properties.

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands with the same sheet warranties.

Gemstone supports conservation and green building practices. Gemstone Packages all products in 100% recyclable packaging using boxes made primarily of recycled paper.
