The Gemstone N1616-S Single Bowl Sink provides a seamless kitchen/utility/ laboratory sink in any solid surface sheet material, acrylic, polyester or blended. The set back drain helps free up space under the sink. This sink works well in laboratories and Clinical applications as well as residential applications. Solid surface has excellent chemical resistant properties.

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands with the same sheet warranties.

Gemstone supports conservation and green building practices. Gemstone Packages all products in 100% recyclable packaging using boxes made primarily of recycled paper.

Gemstone sinks are proudly made in the USA and certified by:
