The Gemstone 1014-VO lavatory bowl is part of Gemstone's commitment to design that is appealing to all. Design, function, performance are critical for today's architects, designers and homeowners. The

1014-VO is ideal for all applications, residential, clinical, commercial, restaurants and laboratories but was specifically designed for narrow vanity cabinets or applications where space is a premium. The 1014-VO has a smooth overflow tube which maximizes infection control in hospital applications in a bowl requiring an overflow.

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands (acrylic and polyester) with the same sheet warranties.

Gemstone supports conservation and green building practices. Gemstone Packages all products in 100% recyclable packaging using boxes made primarily of recycled paper.
