

2916-UD Universal Design Kitchen Sink

Depth: 5 1/2" * (140 mm)

*Depth does not include counter top thickness

The Gemstone 2916-UD Universal Design double equal bowl kitchen sink provides a revolutionary seamless kitchen sink in any solid surface sheet material, acrylic, polyester or blended. The Universal Design makes this sink a great choice in any kitchen as well as ADA appli-

cable. This sink fits well in a 36" cabinet and can be used in any home or office break room kitchen where ADA compliance or conversion may be required. The low divider in the sink adds to the sink's functionality allowing more room for pan handles and larger items. Now you can have a seamless ADA compatible double bowl kitchen sink option!

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands with the same sheet warranties.

 Gemstone supports conservation and green building practices. Gemstone Packages all products in 100% recyclable packaging using boxes made primarily of recycled paper.
